Great guide. Relaxed attitude, knowledgeable. Allows freedom & a level of independence while maintaining a safe/managed environment. Great fun to chat to as well.

Did trip meet your expectations/was the trip well described on the website?

Yes No

What did you think of the route? Amazing. Both runs were incredible. Staying in the high communities & with small farming families was a real treat. Cloud forests, amazing views, huge variety. One of the best treks I've ever done.

How were your meals? (Cook's name Victoriano)

Any comments about the meals? Great! Good variety (Anteater & Cuy were awesome) great flavours. No criticism whatsoever.

What was the highlight of your trip?

Having a shower at the campsite after Choquequirao stop in can terraces overlooking mountains. But the 4 team pass & the ruins were also amazing.

What ONE thing could be done to MOST improve your Apus Peru experience?

perhaps incorporating some stretching at the end of each days hiking to prevent/reduce soreness

Any other comments?

Thanks to Felix & Victoriano for providing an excellent positive environment for the trip
