Compliments and constructive criticism are both welcomed!

Big Willy was very accomodating during our trip - all three of us were very sick at times and he worked to lighten the mood and gave us natural medicine and prayed to mother earth for us.

Did trip meet your expectations/was the trip well described on the website? Yes Yes No
Above and beyond He also introduced us to the locals - especially the children - which was the highlight of the trip!

What did you think of the route? Enjoyed the route - would have been more enjoyable only if we had been more healthy

1 2 3 4 5 6 7 8 9 10

Any comments about the meals? Three course meals, with ballanced snacks. Great food, wish we had more of an appetite

What was the highlight of your trip?

Dancing with a local Peruvian older woman at a traditional Peruvian bar along the trail.

What ONE thing could be done to MOST improve your Apus Peru experience?

Nothing really - would have liked a toilet, but such is the life of a trekker! 😊

Any other comments?

Willy really cares about the locals and connects with them. He has 10 godchildren for a good reason!
