We were all sick at some point with the flu, but Big Willie got us through the hikes. He also made sure ~~we~~ we met every child we saw along the way, as well as many of the adults.

Did trip meet your expectations/was the trip well described on the website? which was priceless!

Yes      No

What did you think of the route? We swam in hot baths, visited several <sup>isolated</sup> ~~indigenous~~ villages, and hiked over a mountain pass with spectacular views - it was great. We were very glad we switched to it because it was the maximum we could handle while sick,

Any comments about the meals? Less meat, more green vegetables & less Sunny Delight, more water at meals

What was the highlight of your trip?

Being invited into a quecha family's home for trout and playing with all the children.

What ONE thing could be done to MOST improve your Apus Peru experience?

If I had been healthy for days 1+2, it would have been even better
