Excellent guide, well informed, knowledgeable, couldn't be more helpful.

Really improved our understanding of Inca & Peruvian culture. Had the "inside" line in all places due to his intimate local knowledge

Did trip meet your expectations/was the trip well described on the website?

Yes No

Trip was much better than expected, a website cannot describe fully the beauty of the trek.

What did you think of the route? Maybe expected more walking, but overall good. Not many people & varied

Undoubtedly - Machu Picchu & views from Wayna Picchu. Willie's help & advice were a close second.

Maybe the cost of the hot springs & transport to there could be included

Willie was extremely helpful when we got stuck in Aguan Calientes for 2 extra days due to a train strike.
