Compliments and constructive criticism are both welcomed!

Felix was a great guide. He knew a lot of great stories and got along with us well. I would have liked to have been able to have a topographic map with the route on it.

Did trip meet your expectations/-was the trip well described on the website? or at least be able to see one.

Yes No

What did you think of the route? Challenging but rewarding, I really liked the diversity of the landscape and the changes in the ecosystems. Good amount of hiking each day. Once we got to La Playa things were a bit unorganized.

How were your meals? (Cook's name Alfredo)

1 2 3 4 5 6 7 8 9 10

Any comments about the meals? Amazing meals for backpacking. Would have preferred brown rice or Quinoa in stead of white. The snacks could have been more nutritious... candy isn't really rice enough.

What was the highlight of your trip? The difficult hiking / long days. Choquequirao.

What ~~one~~ ^{two} thing could be done to MOST improve your Apus Peru experience?

Quinoa/Brown Rice more and having a map.

Any other comments?

Can we use some of your comments in our promotions/website? Yes No
