How would you rate your guide? (Guide's name Miguel)

1 2 3 4 5 6 7 8 **9.5** 10

Compliments and constructive criticism are both welcomed!

Miguel knows a lot about Peruvian nature, culture and Inca ruins. He is incredibly nice to the trekkers and takes good care of them. His pace is relaxed which is good for families. I am quite fit, so I would have preferred faster pace all

Did trip meet your expectations/was the trip well described on the website? throughout the trek.

Yes No

What did you think of the route? loved the trip and the route. I liked all camping sites, except in La Playa. It was loud there.

How were your meals? (Cook's name Eber (Herbert))

1 2 3 4 5 6 7 8 9 **10**

Any comments about the meals? They were all great! I thought he did an amazing job! At the end I was a bit sick of rice, but it was great. Last meal was the only meal that was late, but that's probably because he was without help from Jose, our horseman.

What was the highlight of your trip? Riding in the track with locals to Santa Theresa. Our camping site, completely remote from any other tourists. The views of the glaciers on the 6th day, which was the hardest. And of course, Machu Picchu. And most of all - I loved our dinner with Miguel, our cook & horseman. It felt like a family.

What ONE thing could be done to MOST improve your Apus Peru experience? I personally didn't like Aguas Calientes because it's too touristy. And faster pace of the trek. Otherwise it was really great!

Any other comments?

Overall I enjoyed it very much. I felt confident in the trip & Miguel all the time. I wish I knew how much was expected of me to tip Miguel, Jose & Eber before the trip.

Can we use some of your comments in our promotions/website? **Yes** No
