Route name

Salkantay trek (3-day)

What did you think of the route?

It was the perfect combination to fit the most opportunities into a short stretch of time

What was the highlight of your trip?

It's hard to pick one highlight! ① The cultural insights from conversations with Mayra. ② The hike up Putusi was AWESOME! (my knee was causing slight lameness, so the original schedule for day 3 was too strenuous; I'm so glad because it couldn't have been as wonderful/awe-inspiring as Putusi was - my best hiking experience ever!

What ONE thing could be done to MOST improve your Apus Peru experience?

If it wasn't snowing at Salkantay pass... not much to do about that though.
