Mayra was fantastic! She provided us great info on the people, environment, birds/animals, & terrain of the Ausangate. She was immensely helpful w/ post-Ausangate trip info. She was very aware of our pace and accommodating of our slow pace, picture-taking, etc. She is also card shark!
Did trip meet your expectations/was the trip well described on the website?

Any comments about the meals? The meals were wonderful. I liked their simplicity with the touch of elegance & creativity

What was the highlight of your trip?

Summitting the 17,056' (5200m) pass; the beautiful views of Ausangate & other mountains; the tons of ~~llamas~~ alpacas, many llamas, the vicuña sighting, the funny-looking viscachas

What ONE thing could be done to MOST improve your Apus Peru experience?

~~More clear info on the website about tipping~~ - more clear info on the website about tipping, how it differs (or not for a party of 2 vs. a party of 4, 5, 6, 7, 8). Also, Ariana had told us there would only be 1 muleteer but there were 2. While fine, it was an unexpected expense we hadn't prepared for.

Any other comments?

Perhaps Apus Peru could retire the ^{one} 3-legged camp chair with a 4-legged version
Perhaps Apus Peru could get new tent poles for the guide's tent.

Can we use some of your comments in our promotions/website? **Yes** No
