Compliments and constructive criticism are both welcomed!

Isay knows a lot about the Quechuan culture which is a ~~huge~~ definitely beneficial. I also liked that he meant my sister and I in our hostel in Cusco for our pre-departure briefing as she was not feeling well that day. He also did an awesome job

Did trip meet your expectations/was the trip well described on the website? ^{taking care of our tickets for Machu Picchu related activities}

Yes No
Yes the trip met my expectations and I am glad we chose Apus Peru!

What did you think of the route? Definitely met my expectations. I liked that our group was small making certain parts of the trek a lot easier. I liked how we were able to see the sunrise @ Machu Picchu.

How were your meals? (Cook's name Manro)

1 2 3 4 5 6 7 8 9 10

Any comments about the meals? Excellent! Manro did a great job of catering to our special dietary needs and provided us with many delicious meals.

What was the highlight of your trip?
Seeing the sunrise @ Machu Picchu at realizing how far and high we had trekked relative to Salkantay.

What ONE thing could be done to MOST improve your Apus Peru experience?
perhaps have a female guide??

Any other comments?
Constructive criticism for Isay: There were sometimes when we were taking pictures that Isay would continue to share his knowledge of Machu Picchu. I think

No disrespect to him but I think he could have let us take our time taking pictures and then bring us back to the history of the Incas and Machu Picchu. Overall Isay provided

with a breadth of information and is definitely a solid guide for the Salkantay trek!!

Era super bien! Mi gusto que nos dejó a caminar, solas por unos momentos. Siempre llegó a tiempo y con un ánimo bueno. La única cosita (y es super pequeña) es que espero que empezara el "tour" de Machu Pichu después de la llegada del sol para que pudiéramos

Did trip meet your expectations/was the trip well described on the website?

Yes No
100%!

gostar. El siempre nos escuchó de que quisimos desde nuestro viaje, como de llegar y subir a Huayupichu de regreso a Cusco temprano - muchísimas gracias!

What did you think of the route? Me encantó. Había una variedad de paisajes (subidas, bajadas y planos) que ayudó a pasar el tiempo. También me gustó que lo más difícil vino, que pasar el primer día (la subida a Salkantay)

How were your meals? (Cook's name Mauro)

1 2 3 4 5 6 7 8 9 **10+++**

Any comments about the meals? INCREDIBLE! Teníamos estómago débil, pero no tenía ningún problema con la comida. Somos así vegetarianos, y la comida siempre era SUPER rica, super sana, y super bien. Que lastima que Mauro no pueda cocinar para nosotros durante toda la viaje!

What was the highlight of your trip?

La vista de Salkantay en la cumbre de la subida en el primer día y la vista de Machu Pichu durante la llegada del sol.

What ONE thing could be done to MOST improve your Apus Peru experience?

Será chevere de tener una guía femenina - pero un día :)

Any other comments?

La preparación para la viaje era increíble. Llegamos a Cusco con una idea muy fina de lo que debemos esperar. También hay vino a nuestro hotel para nuestro "dinner" cuando nos sentí bien - gracias!
