Compliments and constructive criticism are both welcomed!

In general, the trip was incredible, especially traveling through & camping ^{in very} remote areas often with individual families. Our guide's knowledge of these areas made all the difference. After the trip Miguel went above & beyond to take us to a great lunch & shops, and gave us great advice on the rest of our vacation.

Did trip meet your expectations/was the trip well described on the website?

Yes No

To be honest, the description was definitely accurate but I think this is one of those things that you can only know once you do it.

What did you think of the route?

No complaints: great variety in terrain & in the degree of difficulty of each day. Wonderful sights along the way ^{including} Incan-made, cultural, & natural

How were your meals? (Cook's name Eber), (Herbert)

1 2 3 4 5 6 7 8 9 10

Any comments about the meals? *Always plenty to eat & wonderful food. Wonderful variety, I was very impressed & the food definitely exceeded my expectations*

What was the highlight of your trip?

The between Macho Picchu itself & hiking through the lush jungle vegetation, also exploring the abandoned ruins & moments of improvisation on the trail

What ONE thing could be done to MOST improve your Apus Peru experience?

Elimination of mosquitoes, ~~or~~ entirely. More seriously, I would have liked to get to know Jose, the Guaranan & Eber better, perhaps

Any other comments?

Definitely to be taken well rather than the bus to the hydroelectric dam & maybe give some more background info on the cuisine & nature (esp Macho Picchu)

Can we use some of your comments in our promotions/website? Yes No
