What did you think of the route? I really liked the route (shortened trek). The first day wasn't as magical, but the 2nd and 3rd days the landscape was amazing!

Any comments about the meals? The meals were well balanced and very tasty. I loved all the tea and the snack before dinner.

A cheat sheet with common Quechua phrases, like "hello", "thank you", "what is your name", etc.

Any other comments?

The market visits were cut short. It would have been nice to really make them a part of the trip - include on a small tour of the markets from the guides perspective.
