How would you rate your guide? (Guide's name Mirza)

1 2 3 4 5 6 7 8 9 10

Compliments and constructive criticism are both welcomed!

Mirza was great, very nice and friendly and knew a lot about the ~~mountain~~ wildlife and taste. I also appreciated that she held a steady, not too fast pace and was really fun to hike & hang out w/. I felt really lucky to have her!

Did trip meet your expectations/was the trip well described on the website?

Yes       No

What did you think of the route? I really liked that for the first two days we were practically above on the ice. The 1st campsite was really cold but it was really cool to be up so high. Although we did the hot springs at the beginning of day 3, I would have preferred to do them at the end of day 2.

How were your meals? (Cook's name Jorge)

1 2 3 4 5 6 7 8 9 10

Any comments about the meals? tea in the morning in the tent is possibly the greatest idea ever. All the meals were great and Jorge did incredible things w/ his little stove.

What was the highlight of your trip?

Well, I think maccu pazu tomorrow will be amazing but so far, crossing the pass on day 2 was really cool.

What ONE thing could be done to MOST improve your Apus Peru experience?

provide lunch the day we go to maccu pazu

Any other comments?

It was very clear to me that Apus & Mirza had put a lot of thought in how to make the Salkantay trek the most interesting & enjoyable possible instead

Can we use some of your comments in our promotions/website?  Yes       No
